

REINS moved to Fallbrook in 1991 and I started volunteering in 1992. I became an instructor in 1994 and the Executive Director in 1995. I am fortunate to have three healthy children of my own and a loving husband of 38 years. REINS has grown tremendously the past 17 years with a current enrollment of 185 weekly students and in the course of a year over 500 volunteers.

At REINS, children and adults with disabilities learn how to ride horse,s an intense form of therapy that benefits a wide range of abilities. Our current enrolment is nearly 200 weekly students who come from all over the counties of Orange, Riverside and San Diego. We also have the help of over 100 weekly volunteers who assist in all aspects of the program.

Please contact us if you have any questions. We would also like to invite you down to REINS to see the program first hand. Please visit our website at www.reinsprogram.org for more information.

I am honored to be the Director of such a wonderful organization!!

Sincerely,

Debbie

Gail Martin – Owner

Perfection Imaging Technologies servicing customers for 20 years...* where your choice for imaging products is clear... in supplies, sales and services for copiers, multifunction, fax machines, ink jet and laser printers to customers throughout San Diego and Riverside Counties.

Looking for a new machine?* The company offers best-in-class equipment from leading manufactures as Samsung and HP plus a wide variety of new and remanufactured high-quality Ricoh and Ricoh equivalent products including Savin, Gestetner, and Lanier from desktop to high-speed commercial networked digital color imaging systems. Perfection Imaging Technologies has been the only independent company in San Diego County to specialize in Ricoh. Currently, BCI has named Ricoh the color printer line of the year award.

Perfection Imaging Technologies integrates imaging systems and services that help business manage document workflow and increase efficiency. Perfection offers full coverage maintenance agreements, on and off site service and the best technical support for most brands of desktop photocopiers, digital copiers, faxes, and printers.

Perfection Imaging Technologies is committed to providing solutions for all your imaging needs. The company has been selling OEM, new generic and compatible ink and laser cartridges to name a few Brother, HP, Canon, Epson, Minolta, Copystar and Lexmark for years and ship within the US and Canada. Perfection Imaging's satisfied customers reflect their total commitment to value for the money and the finest customer support.

If you cannot find the cartridge you need, please call our toll-free number (866-931-8388) and our friendly sales staff will be glad to assist you in finding the right cartridge for the right price.
